

Organized in 2005, the Frankfort Mustangs Club promotes the enjoyment of the original American Pony Car – The Ford Mustang.

All you have to do to belong to the club is to pay dues of \$15 a year and show up at club functions.

We welcome enthusiasts of all Mustangs – from the classics of the 60's, the Mustang II's of the 70's, "Fox" Mustangs of the 80's, SN-95's of the 90's, S-197's of the 2000's, and into more recent models as well.

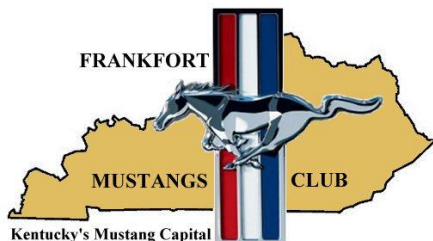

Whether a rusty relic, a daily driver, the family grocery getter, an ultra-modern restomod, a trophy winning show car, or a showroom new Mustang, we'll be glad to see it – and YOU!

Ours is a casual group of friends united by the love of these automobiles.
